of

<ADDRESS>

(the "Licensee")

WHEREAS ACA (and its partners) is (are) the owner (s) (the "Landowner") of the designated areas described in Schedule "A" of this Agreement (the "Property");

AND WHEREAS the Licensee desires to enter onto the Property for haying purposes and ACA has agreed to allow the Licensee to enter onto the Property for haying purposes;

NOW THEREFORE in consideration of the sum indicated in Section 1 hereof (the "Consideration") paid by the Licensee to ACA the parties hereto agree as follows:

1. The Licensee shall pay the following Consideration, by cheque or credit card (plus applicable service fees), on or before **July 15, 2024**, to Alberta Conservation Association, 9001 – 94th Street Peace River, Alberta T8S 1G9, **Attn: Lori Rohde**, for the privilege of haying on the Property during the Term specified below:

\$ _____ per acre x 200 # of acres = \$ _____.

ACA may inspect the area hayed for use in the above calculation as a multiplier for the calculation of total number of acres hayed.

2. The term of this licence will be from **July 15, 2024** to **September 15, 2024** (the "Term").

3. ACA grants to the Licensee the right to enter onto the Property for the duration of the Term for the sole purpose of haying on the Property. Any and all costs associated with the Licensee haying on the Property are solely the responsibility of the Licensee. The Licensee agrees that it will accept any and all hay it obtains under this Agreement "as is, where is" and that it will notify ACA when it has baled the hay it intends to purchase under this Agreement.

The Licensee will comply with all applicable statutes and regulations in force in the Province of Alberta pertaining to the Licensee's activities on the Property, will repair all fences and other improvements on the Property damaged by the Licensee, will not disturb or change any natural features of the Property, including the natural course of any waterways on the Property, will not cut down trees growing on the Property, will not transport any invasive plant species onto the Property, and will stay within the boundaries of the Property at all times. In addition, the Licensee will not access the property under conditions (e.g. soft ground) that might result in damage to the property.

5. The Licensee shall ensure that any and all equipment brought onto the Property is clean, to ACA's satisfaction in the exercise of its sole discretion. The Licensee may be denied access to the Property by ACA in the event that any equipment that the Licensee purports to bring onto the Property is not sufficiently clean to ACA's satisfaction in the exercise of its sole discretion.

6. Any of the Licensee's work on the Property will at no time hinder ACA's work or projects on the Property or on adjacent properties and ACA shall be the sole determiner as to whether its work or projects will be hindered by the Licensee. If hindered then ACA may require the Licensee to alter his practices or his work so that ACA's projects or work are not hindered. It is acknowledged by the Licensee that ACA will continue to carry out its work and projects on the Property during the term of this Licence and this Licence does not in any way restrict ACA or its agents and employees from access to the Property and carrying out its work and projects on the Property.

7. This Licence is not a lease and the Licensee has no rights to the Property other than as provided in this Licence and the granting of this Licence does not give the Licensee any legal or beneficial interest in the Property.

8. The Licensee hereby accepts full responsibility and all risks on behalf of itself and any employees, agents, contractors or family members (hereinafter collectively referred to as the "Licensee's Agents") as a result of any and all activities on the Property carried out by the Licensee or the Licensee's Agents including, without limitation, any loss or damage whatsoever that may be caused to the Licensee's equipment and property brought onto the Property or allowed to be brought onto the Property by the Licensee or the Licensee's Agents. The Licensee does hereby remise and release ACA and its successors, assigns, employees, agents and contractors of and from all actions, suits, debts, dues, claims, damages, demands and costs as a result of any and all activities on the Property carried out by the Licensee or the Licensee's Agents. The Licensee does hereby indemnify and save harmless ACA from and against all actions, claims, accounts, demands, damages or injuries which ACA may suffer or be held responsible for, with respect to the Property or any adjacent property, which are caused by or the result of the Licensee's or the Licensee's Agents' operations on or use of the Property. The Licensee shall only use the Property for haying and for no other purpose whatsoever unless previously agreed to in writing by ACA.

9. If there is any default of the covenants or obligations of the Licensee under this Licence, then ACA may at its option, with notice to the Licensee, immediately terminate this Licence and

prevent the Licensee from further access to the Property and keep any payments made by the Licensee to ACA as liquidated damages and not as a penalty.

10. The indemnities and obligations of the Licensee set out in Section 8 hereof do not end with any termination of this Licence.
